DEFENDANTS' NOTICE OF DATA  
IN RESPONSE TO THE COURT'S  
OCTOBER 30, 2020 ORDER

**NOTICE OF DATA**

Pursuant to the Court’s October 30, 2020 order (ECF No. 103), Defendants hereby respectfully submit data reports reflecting the “all clear” status for each United States Postal Service facility and processing center in the Detroit and Lakeland Districts for October 31, 2020. USPS maintains plant-related data in such a way that there is no straightforward way to disaggregate data related to Detroit and Lakeland only. Thus, the attached report for all plants is over-inclusive, *i.e.*, the report includes data concerning the Detroit and Lakeland geographic areas, but also include facilities and processing centers outside of those areas. In other words, for database purposes, data concerning Detroit and Lakeland plants are included in data extracted for the Westshore and Lakeshores Districts.

Defendants provided this data to counsel for Plaintiffs via e-mail at approximately 10:00 AM Pacific Time. Due to technical issues, however, filing with the Court was delayed. Defendants do not anticipate any such delays with respect to filing explanations for facilities that failed to report their “all clear” status or that reported non-compliance for conducting an “all clear” for October 31, 2020.

Respectfully submitted,
